The following is a brief overview of the beliefs and practices of the Ethiopian Orthodox Church, as outlined in their liturgy and traditions. For a comprehensive understanding, it is recommended to consult their theological and liturgical texts.

1. **The Holy Trinity**
   - The Father, Son, and Holy Spirit are co-equal and co-eternal.
   - The Father is the source of light, truth, and life. The Son is the light and truth. The Holy Spirit imparts life.

2. **The Incarnation**
   - Jesus Christ is both God and Man, the Word made flesh.
   - He was born of the Virgin Mary and lived as a human being.
   - He saved humanity through his death, burial, and resurrection.

3. **Soteriology**
   - Salvation is achieved through faith and baptism.
   - The Church is the Body of Christ, and its members are called to live in fellowship with one another.

4. **The Holy Eucharist**
   - The Bread and Wine are the Body and Blood of Christ.
   - The faithful partake of the Body and Blood in faith, recalling the Last Supper.

5. **The Sacraments**
   - Baptism, Confirmation, Ordination, Holy Communion, and Repentance are the seven sacraments.
   - Each sacrament is a means of grace, through which God bestows gifts upon the faithful.

6. **The Monastic Life**
   - Monasticism is a way of life dedicated to the pursuit of holiness.
   - Monasteries are centers of prayer and service.

7. **The Prayer Life**
   - Daily prayer is central to the life of the Church.
   - The Divine Office consists of Psalms, hymns, and prayers.

The Ethiopian Orthodox Church, like its Eastern Orthodox counterparts, upholds the teachings of the Nicene-Constantinopolitan Councils and adheres to the Orthodox faith as it has been transmitted through the ages.
